Parking permits

As part of our ongoing work to ensure the safety of all our school family, school is working hard to reduce the amount of vehicles on the school premises at the beginning and end of each day. There a large number of vehicles that have blue badges and unfortunately there are numerous parents who ignore our requests not to drive through the front gates into the school. For the safety of our children we have made the decision to change the way we approach this issue.

From January all parents who wish to drive through the gates and park on the school premises will need to apply for a parking permit. This will be issued by school depending on the child's needs. To keep everyone safe the school gates will be locked at all times, except to allow staff and the parents of children who have been allocated a permit in.

Applying for a parking permit:

- Please email office@allsaints.cambs.sch.uk giving your child's name and class and why you need a parking permit for your child.
- Cases will be looked at depending on the individual child's needs.
- If a permit is granted details of your vehicle will be kept at school.
- All saints academy has the right to revoke a permit if it is abused or shared.

We hope that by keeping the gates locked and introducing parking permits will keep all children safe while on the school premises. Please remember to not use the parking spaces on all saints close as these are for the residents. There is ample parking at the back of school off Queens street, or for those more active people we encourage you to park and stride or walk / bike to school.

Thank you for your cooperation.
