ALL SAINTS WELCOMES NEW MEMBERS TO THE TEAM

As we approach the end of the Spring Term, we are now able to share you some staffing changes that will be in place straight after the Easter Holiday.

First of all, we are hopeful that Mrs Orbell will be returning to Year 6, which means Mr Crickwood will be resume teaching in Year 4. Although not ideal, we would like to say a huge thank you to parents and carers for your patience and understanding whilst we have sought to ensure consistency and support for the children in both classes.

In Year 5, Mrs Goodings will be leaving us to take up a fulltime position in the school she already worked in before joining us in January. We are hugely appreciative of the short period of time Mrs Goodings has been with us. Nevertheless, this has enabled us to appoint Mr Hull, who will a permanent full time teacher in the class. He has spent Friday in the Year 5 class getting to know the children ready for the Summer Term. We are confident Mr Hull will be a great asset to the school.

In Year 3, we will be saying farewell to Mr Smith. Mr Smith, alongside Mrs Moore, have been a great source of stability for the Year 3 children and his enthusiasm and wealth of knowledge will be greatly missed. We are eager to secure a full time teacher for this class with Mrs Moore moving down to Year 2 to work alongside Mrs Mathieson.

Mr Hull will be the new Year 5 teacher after the Easter Holidays

We are also delighted to announce the appointment of two new Teaching Assistants. Mrs Brui and Mrs O'Neill will be working in various year groups supporting children with their learning.

I am sure you will all join us in welcoming these new members to the team and share our heartfelt gratitude to those leaving at the end of this term.

Thank you once again for your ongoing support as we navigate these changes, and we look forward to a successful Summer Term with our dedicated teaching team.

ATTENDANCE MATTERS

Equates to number of school days off each year

PUPIL ATTENDANCE UPDATE

Year 5 and Year 2 continue to enjoy the highest levels of attendance. We're keen to see all Year Groups exceed 95% before the end of this academic year.

Remember, pupils with poor attendance are more likely to experience...

- Gaps in knowledge and skills, leading to confusion and anxiety
- Difficulty making friends
- Loss of confidence and/or self-esteem
- Increase in anxiety
- Slower progress and lower academic grades

Attending school can be a passport to a child's future into adulthood, independence and achieving one's ambition. We are eager to enable children to succeed, so please ensure children are in school each and everyday.

Parents Evening

THANK YOU
for joining us!

Thank you to everyone who came along to our Spring Term Parents Evening Meetings, it was great to share the children's successes whilst also identifying next steps in their learning.

If you did not book a meeting, or were unable to attend your scheduled time, please do get in touch with the school office to identify a time to meet with your child's class teacher. We will be following up with parents who did not book an appointment to schedule a meeting.

At the end of the Spring Term we will no longer be accessing the Sports Coaching and After School provision delivered by Sport2Day.

We are enormously grateful to Mr Pickett for the time he has invested in working with the children of All Saints this academic year and to Sport2Day who have worked collaboratively with the school for a number of years.

We are in the process of developing our own PE provision and afterschool club arrangements as we are eager to make sport accessible to all children and ensure children have the opportunity to develop skills in a broad range of physical activities. This will include participating in inter-school competitions.

Watch this space for more information in the near future!

pupilasset

We are excited to announce that our school is transitioning to Pupil Asset, a new system designed to improve the way we track and support students' progress.

What is Pupil Asset?

Pupil Asset is a powerful platform that helps schools manage student data, monitor progress, and personalise learning. It makes it easier for teachers to track each student's achievements and well-being, providing valuable insights to support their development.

How Will It Help?

Personalised Learning – Teachers can tailor lessons based on each student's strengths and areas for improvement.

Improved Communication – Parents will have access to real-time updates on their child's progress.

Efficient Tracking – Teachers can track student progress more easily and identify any issues early.

Better Reporting – Automatic reports save teachers time, allowing them to focus on teaching.

Well-being Support – Pupil Asset helps track students' social and emotional well-being, ensuring they are supported in every way.

We're excited about the positive changes this will bring and will keep you updated as the transition takes place.
