S H I N E SERVICE HOPE INTEGRITY NURTURE EXCELLENCE

We are delighted to share the outcome of our recent Ofsted inspection, which took place on 10 and 11 June 2025. The full report is now available on our website, and we encourage all families to read it in full.

The inspection team recognised the significant progress we have made since our last inspection, with the school now judged Good in the following areas:

- Personal Development
- Leadership and Management
- Early Years Provision

These improvements reflect the hard work and dedication of our staff, the enthusiasm of our pupils, and the support of our families and wider community.

What Ofsted Said About Our Strengths

- Leadership and Vision: Inspectors noted that “leadership at all levels has changed considerably in recent months,” bringing “more stability” and a “shared vision throughout the school to provide high-quality education.”
- Curriculum and Teaching: The curriculum is becoming “broad and ambitious,” and in most subjects, “teachers’ subject knowledge is strong.” Pupils’ knowledge is building over time, especially in the Early Years, where routines are “well established.”
- Reading and Phonics: Reading is a clear priority. The report highlights our “welcoming school library and comfortable book corners,” and praises the consistent teaching of phonics and the support provided to help pupils keep up.
- SEND Provision: Staff are “working more effectively to meet the needs of pupils with SEND,” with improved identification processes and strong collaboration with external agencies and families.
- Personal Development: Our personal development offer was described as “high-quality,” with pupils enjoying a wide range of clubs, trips, and leadership opportunities. Inspectors noted that pupils “learn about the importance of diversity and mutual respect” and contribute positively to the school environment.
- Safeguarding: The arrangements for safeguarding were judged to be effective, with pupils having “trusted adults” they can turn to and access to “safe spaces” when needed.

What We’re Working On

While we are proud of our progress, we know there is more to do. The overall judgements for Quality of Education and Behaviour and Attitudes remain as Requires Improvement. Ofsted identified two key areas for development:

- Curriculum Consistency: In a few subjects, “the information that the pupils receive is not clear and the activities pupils complete are not focused on the intended learning.” We are addressing this by strengthening subject knowledge and refining lesson planning.
- Behaviour Expectations: Although “routines are well established,” the report notes that “the school’s approach for managing pupils’ behaviour is not consistently applied.” We are working to ensure that all staff follow our behaviour strategies consistently so that every pupil can learn in a calm and respectful environment.

Additionally, we are continuing our efforts to improve attendance, particularly for pupils who are persistently absent. The report acknowledges that “overall levels of attendance are improving” as we work closely with families to remove barriers.

Looking Ahead

This report marks a turning point for our school. With a clear vision, strong leadership, and a supportive community, we are confident that we will continue to grow and improve. As the report states, “parents are supportive of the school and are optimistic about the future”, and so are we.

Thank you for being part of our journey. Together, we are building a school where every child can thrive.

KEY DIARY DATES

Date	Information
21.7.2025	Year 6 Leavers Assembly & Party
23.7.25	Last School Day of Academic Year
3.9.2025	Children Return for 2025-26 Academic Year

ATTENDANCE Matters

... EVEN TOWARDS THE END OF TERM!

We’ve noticed some cases where pupils have been reported as unwell, but we believe they may have been on holiday during term time. We kindly remind families that absences must be reported honestly and in line with our attendance policy.

Thank you for your support in helping us maintain high standards and ensure the best outcomes for all pupils.

Year Group	Attendance This Week	Attendance This Year
Rec	81.3%	90.4%

P.T.A. RAFFLE PRIZE WINNERS

Congratulations to all of the PTA raffle prize winners who have a whole summer to work through their enormous hamper prizes!

MOVING ON UP

LIONS INTERNATIONAL PEACE POSTER CONTEST

We were delighted to welcome John Potter from the Lions Club into school on Friday to announce the winners of this year's Lions Club International Peace Poster Competition. This inspiring event invited all of our Year 6 pupils to express their vision of peace through art—and the results were truly outstanding.

The standard of entries was incredibly high, showcasing the creativity, thoughtfulness, and artistic talent of our pupils. After much deliberation, certificates and small cash prizes were awarded to our top three artists:

- 3 3rd Place – Hanna
- 2 2nd Place – William
- 1 1st Place – Peng

A huge congratulations to Peng, whose winning poster will now go forward to represent All Saints in the district-level competition! We are so proud of all our Year 6 entrants for their hard work and imagination, and we thank the Lions Club for supporting this wonderful opportunity. Well done, everyone!

On Friday, All Saints was buzzing with excitement as pupils took part in our first Move Up Morning; a special opportunity for children to meet their new teachers and begin building relationships ahead of the new academic year in September.

The morning was filled with smiles, curiosity, and a sense of anticipation as pupils explored their new classrooms and engaged in fun, welcoming activities designed to help them feel confident and excited about the year ahead.

A particular highlight of the morning was the introduction of our two newly recruited teachers: Mr Rosa and Miss Gray. We are absolutely thrilled to welcome them to the All Saints team. Both bring experience, enthusiasm, and fresh ideas, and we are confident they will be fantastic additions to our school community.

As we continue our commitment to providing the best possible education for our pupils, the energy and positivity from Move Up Morning have set a wonderful tone for the year ahead. Thank you to all staff, pupils, and families for making the event such a success!
