## attendance MATTERS

Here's a quick look at our attendance figures—showing how we did last week and how we're doing overall this year. While many pupils continue to attend regularly, we've noticed a downward trend in some year groups that we're keen to address together. Thank you for your continued support in helping every pupil be in school, every day.

Please note that lateness can also be a contributing factor to absence, so do please ensure children are in school by 8:50am. Pupils are registered 'Late' if arriving after this time.

Year Group	Attendance This Week	Attendance This Year
Rec	93.5%	94.5%
1	87.9%	89.9%
2	96.5%	94.2%
3	96.9%	94.6%
4	90.0%	94.3%
5	92.9%	93.6%
6	92.7%	95.7%

## ... AND YOUR SUPERPOWERS

Our next big event is the Fireworks Night on the 7th November – and trust us, it's going to be a banger!

But to make it sparkle, we need a team of heroes:

- 🔥 BBQ legends who can flip a burger without setting their eyebrows alight
- 📄 Order-taking ninjas who can juggle tickets and change with ease
- 🔧 Gazebo builders ready to help set up our amazing event space in the morning
- 🙌 Enthusiastic helping hands for all the in-between jobs that keep the night running smoothly

Whether you can spare an hour or the whole evening, we'd love to have you on board. The more the merrier (and the less likely we are to eat all the leftover hot dogs ourselves 😊).

Please drop the office a message if you can help and it will get passed on to the FRIENDS team — your contribution, big or small, will make all the difference. Together, let's raise lots of money for our school community!

We're excited to share that our creative Year 6 pupils have been busy during their lunch breaks designing and making beautiful rings and bracelets! Their goal? To raise money for new PE equipment to benefit all students in the school.

Please keep an eye out for their fundraising stall, which will be set up in the playground soon.

# CELEBRATING 200 YEARS OF THE RAILWAY – A JOURNEY THROUGH ART AND HISTORY

Year 4 have been working in collaboration with 20Twenty Productions and the Hereward Rail Project to celebrate 200 years of the railway in March. As part of this exciting initiative, the children teamed up with a local artist to create stunning iPad paintings, imagining trains from both the past and the future.

Their artwork was proudly unveiled at March Station, with local Town Councillors present, where the students saw their fantastic creations brought to life in a public display. To mark the occasion, the class enjoyed a memorable train journey from March to Ely, experiencing the railway first-hand and deepening their connection to its rich history.

This project beautifully combined art, history, and community engagement, giving the children a chance to showcase their creativity while learning about the legacy of the railway in their local area.

Joanne from Hereward Rail complimented the children on their behaviour and engagement throughout the project.

Pop along to March station where you can view their work on Platform 2.

# KICKBOXING SUCCESS

Arya from Year 5 has recently completed her grading for kickboxing at RKA Kickboxing Academy. Arya has been training at RKA for a little over a year now and has recently passed her grading for a Red Belt.

Since joining RKA kickboxing, Arya has developed discipline, confidence and self-defence. Arya also learned that earning her belt is a result of her hard work and resilience in training each week.

Arya is inspired by the clubs fight team, especially the girls. Arya look up to all of them and this may possibly inspire her to join them one day.

# COULD HIDDEN FACTORS BE AFFECTING LEARNING, FOCUS OR BEHAVIOUR?

**HARRISON COLEY** OPTICIANS

After the great session they ran with the All Saints staff earlier this year — and all the positive feedback that came from it — Vik Measuria from Harrison Coley Opticians are running a free virtual parent session to help families understand how hidden visual factors can affect a child's learning, focus, and behaviour, even when their eyesight seems perfectly fine.

**Event: Support Your Child – Could Hidden Factors Be Affecting Learning, Focus or Behaviour?**

**Date: Wednesday 22nd October 2025**

**Time: 8:00 – 9:00 PM (with live Q&A)**
