Our SHINE Values

A very warm welcome to all our families, both new and returning. We are delighted to have you as part of our school community. Our values are at the heart of everything we do, helping us to learn, care and grow together.

Shine Certificates are awarded to children who consistently demonstrate our school values through their positive attitudes and actions.

Together, we strive to live out these values every day:
"Live it. Show it. Share it." ✨

SERVICE

Putting others first and making a positive contribution.

HOPE

Looking forward with confidence and encouraging possibility.

INTEGRITY

Being honest, trustworthy and doing the right thing.

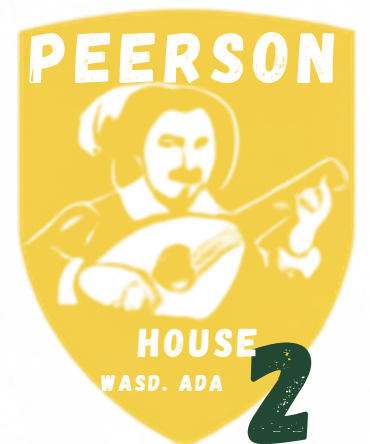

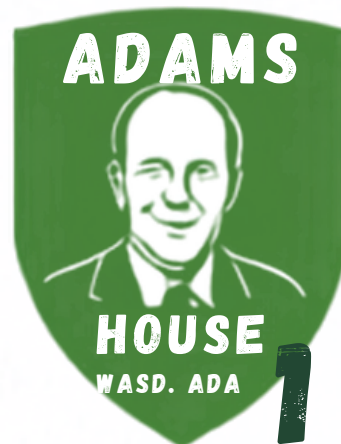

NURTURE

Caring for one another and helping everyone grow.

EXCELLENCE

Always trying our best and taking pride in what we do.

Together, our SHINE values guide our learning, relationships and decisions, helping every member of our school community to let their light shine. ★

Living Our Values

Pupils earn House Points by showing our SHINE values each day. Houses work together to collect the most points and the winning house receives four House Points at the end of each week.

Congratulations to Gimbert House!

Every Day Counts. Every Minute Matters.

It has been wonderful to see our children settle so positively into the new school year. The first week of primary school is an exciting time, full of new friendships, routines and learning opportunities. As we begin the year, we would like to remind families of the importance of excellent attendance. Regular attendance is vital to your child’s success in school. Our expectation is that all pupils achieve at least 95% attendance, helping them to make strong academic progress, build friendships and feel confident in their learning. Every day counts, and even small amounts of missed learning can quickly add up over time. Let's work together to ensure every child has the best opportunity to thrive. Thank you for your continued support in helping your child attend school every day.
