Friends of All Saints Need Your Help!

Dear Parents and Carers,

The Friends of All Saints are reaching out with an urgent plea for support.

Our Friends group is a small team of dedicated parent volunteers who work incredibly hard throughout the year to raise valuable funds for our school. From school discos and cake sales to supporting special events for our children, their efforts make a real difference to school life.

However, their biggest event of the year is undoubtedly our much-loved Annual Fireworks Event. This fantastic community event brings families together, creates wonderful memories for our children, and raises vital funds to support the school.

The reality is that an event of this size requires a huge amount of planning, preparation and volunteer support. At the moment, we simply do not have enough helping hands.

We desperately need your help.

Whether you can spare:

- A few hours before the event
- Time to help set up or clear away
- Support on the evening itself
- Or even a full day of assistance

Every contribution, no matter how big or small, will make a difference.

Sadly, without additional volunteers, there is a real possibility that this year's fireworks event could be the last one that All Saints is able to host.

We know that many parents lead busy lives, but if everyone could give just a little time, we could keep this wonderful tradition alive for our children and future families.

If you are able to help in any way, please contact the school office or speak to a member of the Friends team.

Together, we can ensure the magic continues.

Thank you for your support.

Kind regards,

Mrs S. Johnson
Headteacher
