Trust Board Interchurch Academy Trustee attendance at meetings 2025-26

The Trust Board met four times during the 2025-26 academic year as part of its scheduled programme of business. Attendance is calculated against meetings held during an individual's period of office. Trustees appointed or resigning during the year are assessed only against meetings they were eligible to attend. Attendance at committee meetings is also reported for trustees serving on the Finance, Risk & Audit Committee and the Standards & Curriculum Committee.

Attendance figures relate to scheduled Trust Board and committee meetings included within the Trust's annual programme of business. Additional extraordinary meetings were held during the year as required and are not included within the attendance figures reported below.

A meeting of the Standards & Curriculum Committee scheduled for 18 June 2026 did not proceed as the meeting was not quorate. Attendance percentages for that committee have therefore been calculated using the two committee meetings that were formally convened during the academic year. The cancelled meeting is nevertheless recorded as part of the committee's annual programme of business.
